Parent & Student Handbook

Dear Strong Start Families,

Kasserian ingera! This is the traditional greeting used by the Masai tribe in Africa that means, “How are the children?” This greeting captures the essence of what Strong Start is all about. We are about the children! This greeting acknowledges the high value that we will always place on our children’s well-being. The traditional response to the greeting is, “all the children are well”, which confirms that the priorities of protecting the children are in place! The response serves as a constant reminder to never forget the reason why we are all here. It means that no matter what is going on around us, nothing is more important than properly caring for our children. This greeting perfectly reflects the philosophy at Strong Start Academy, where we emphasize positive and supportive relationships between students and adults that enable students to persist and succeed in academic environments. We are so excited to welcome you to our new school and even more excited and honored that you have selected Strong Start Academy Elementary as your child’s school!

As we work together to ensure “all the children are well”, we have developed this Parent & Student Handbook to assist in this endeavor. This handbook establishes consistent and clear expectations that align with our school’s philosophy, vision, and mission. While we don’t expect you to read the handbook from cover to cover, it is extremely important that you familiarize yourself with its contents. This will help you know where to find pertinent information about the school, such as, the school calendar, schedules, policies, procedures, etc. Please know that this is a living document, meaning, it will be consistently edited and updated with relevant information as necessary. We would also encourage you to contribute suggestions and provide feedback throughout the year, as we continuously strive to improve and want to form a true partnership with our families. We value your input and your collaboration. The handbook will be accessible on our website and notifications will alert families anytime changes are made to the handbook.

We look forward to an amazing school year! On behalf of the entire Strong Start family - Kasserian ingera!

Thank you for reviewing our Parent & Student Handbook!

What is a Charter School

As defined by the National Alliance of Public Charter Schools (www.publiccharters.org), Charter schools are independent public schools allowed the freedom to be more innovative, while being held accountable for improved student achievement. Charter schools are non-profit, self-managed entities that enroll public school students. They are approved and monitored by the Nevada State Public School Charter Authority; yet, they run independently of one another. Charter schools are funded by state and local monies and are open to any student residing in Nevada who would otherwise qualify to attend a regular public school in the state of Nevada. Charter school students are public school students, subject to all applicable policies. Charter schools foster a partnership between parents, teachers, and students and create an environment in which parents can be more involved, teachers are given the freedom to be innovative and students are provided the structure they need to learn, with all three held accountable for improved student achievement. Strong Start Academy Elementary School is sponsored by the Nevada State Public Charter School Authority, not the Clark County School District.

Our Mission and Vision

Our Mission

The mission of Strong Start Academy Elementary School is to provide equitable, high-quality academics as we prepare our bilingual, civic-minded thinkers to maximize their potential in their community and the world. SSAES is committed to building a culture of high academic achievement for all students. All children will engage in dual language education that supports and embraces the development of their home languages and cultures. SSAES will offer rich linguistic and cultural education that values and develops families' cultural heritages and home languages as assets. Providing an enriched multilingual education combined with high expectations will help students attain their greatest potentials, and close the achievement gap while preparing them for success in the 21st century.

Our Vision

The vision of Strong Start Academy Elementary School is a culturally diverse learning community that prepares children to excel academically in two languages and have a positive impact on an increasingly evolving and global society.

Core Values

The guiding core values for the vision are: (1) **Integrity** - Accountability for our actions and learning, (2) **Social Responsibility** – Respect and value for ourselves, each other, and the community, (3) **Diversity, Equity & Inclusion** – Addressing inequitable and/or unjust systems and structures to create educational equity (4) **Civic Engagement** – Enrich the lives of youth to contribute to the well-being of the society. The goal of SSAES is to holistically meet

the needs of all students by maximizing each child’s learning potential and creating long lasting, positive impact on learners.

Core Values of SSAES Model	
<p>Integrity Accountability for our actions and learning</p>	<p>SSAES will cultivate a strong ethical culture inside and outside of the classroom by encouraging positive and trusting relationships among teachers and students. Teachers will model integrity and a growth mindset by demonstrating and encouraging accountability for our actions and learning. SSAES will maintain a supportive classroom culture, where students feel empowered to take risks in their learning and students will be taught how to build and maintain meaningful relationships. Taking responsibility will be encouraged in order to develop and enhance growth mindsets through personal accountability and reflection.</p>
<p>Social Responsibility Respect and value for ourselves, each other, and the community</p>	<p>Social responsibility at SSAES will mean having a personal investment in the well-being of each other, the community and ourselves. SSAES will engage students with curriculum and school culture that values and creates empowerment, compassion, and respect. These values are fundamental for children to develop basic social skills and confidence, which maximizes student achievement and will play a pivotal role in the development of a concerned and responsible society. Teachers will foster the development of self-directed life-long learners in a safe and enriching learning environment while promoting value and respect amongst each other.</p>
<p>Diversity, Equity, & Inclusion Addressing inequitable and/or unjust systems and structures to create educational equity</p>	<p>SSAES is committed to diversity, equity, and inclusion by taking steps to become an anti-racist and anti-bias school in order to have equitable learning opportunities for all students. SSAES will create a community that supports all dimensions of human differences, and will work towards addressing and dismantling inequitable and/or unjust systems and structures. By incorporating multicultural education and taking a culturally responsive approach to teaching, teachers will help students to achieve their full potential as engaged learners and valued members of society. SSAES wants students to develop a positive self-image and to embrace differences in others. This approach will bring greater multicultural awareness in order to help students with varied needs and backgrounds to succeed. Implementation of effective</p>
<p>Civic Engagement Enrich the lives of youth to contribute to the well-being of the society</p>	<p>SSAES wants students to have the critical thinking skills to become productive and active citizens in their community. Teachers will utilize project-based service learning to create opportunities for students to reflect on what they are learning, which will help students to begin to formulate their own opinions and views on topics. By embedding service learning into instruction, students will see the impact they have on the community and feel empowered to take action on issues they care about. This approach will work to build leadership and citizenship skills throughout their childhood and as they transition into adulthood. SSAES believes that helping children see their potential and achieve positive change, leading to a profound and lasting impact on their academic performance, social-emotional well-being, and contributing positively to the development of society.</p>

Core Beliefs

Common community values are the driver of culture, allowing students, staff, and families to commit to shared ways of operating, hold common language for culture, and live out the commitments through implementation of our Core Beliefs. SSAES is a values-driven community of learners committed to the following Core Beliefs.

SSAES Core Beliefs:

- SSAES will strive for high academic standards and expectations for all students in an environment that stimulates learning.
- SSAES will promote students' self-esteem with positive reinforcement and build good character so each student can be successful.
- SSAES believes in programs that allow students to progress academically through appropriately leveled instruction.
- SSAES believes our parents/guardians and families should be equipped with information and resources in order to support their child's learning.
- SSAES respects diversity and individual differences in our students and staff.
- SSAES believes students should be provided with opportunities to learn a second language.
- SSAES uses technology to help our students, parents, and staff prepare for the future.

SSAES Character Traits

SSAES will be a place that is warm and welcoming with a focus on what is best for children, their families and the community. Through the explicit teaching of character traits, we will build a firm foundation for children to develop strong civic values. Late/Early Student Check-in/out Procedure

Students arriving at school after the bell and/or after the gates/doors have been locked must be checked in at the front office.

Students who are dismissed early must be signed out by a parent or guardian in the front office. Students will not be released to those whose names do not appear as a parent/guardian or on the emergency contact list kept on file in Infinite Campus. A photo ID must be shown in order to release a student from the school building. It is the parent's responsibility to come to the front office to add people to the emergency contact

list. SSAES is very concerned about the safety and well-being of its students, therefore, there are no exceptions to this policy.

Attendance

The Nevada Department of Education requires that the student attend school regularly in accordance with the laws of the State (NRS 392.122.) The success of the student's educational program at SSAES is largely based upon his/her daily presence, which ensures the continuity of instruction and classroom participation. The administration, faculty, and staff of SSAES expect the student to be in class, on time, and to be prepared to work. Promoting and fostering consistent student attendance requires a commitment from the administrators, teachers, parent(s)/guardian(s), and students. No single individual or group can successfully accomplish this task. Members of SSAES's professional staff will do all they can to encourage and support student attendance. This ranges from creating a pleasant and safe physical environment to providing meaningful learning experiences and opportunities in every class.

State law requires professional staff to:

- Keep accurate attendance records of excused and unexcused absences.
- Incorporate defined, daily participation as part of the teaching/learning process for each grading period.
- Require student accountability by ensuring you complete work you have missed including homework, projects, quizzes, tests, and other assignments.

Per state law, there is a 90% attendance requirement. Students must not miss more than 10% of the school year (18 days - excused or unexcused absences). If a student has a medical condition, which makes him/her miss more than the policy allows, parent/guardian must arrange a meeting with administration to discuss alternative education options. The student is also required to have all missed work completed per the school make-up work policy. Students who do not meet these two conditions and miss this much instruction may be retained in the current grade. The counselor and social worker will be responsible for monitoring attendance and managing the SSAES Attendance Policy. Families will be notified of absences through daily attendance calls, written notices will be sent after three absences, and a conference will be scheduled after five absences.

Absences

SSAES recognizes two kinds of absences and tardiness: **excused and unexcused**. Please read through the following definitions carefully to understand what the student and parent/guardian responsibilities are. It is imperative students understand the requirements regarding missed homework, quizzes, and tests, as well as the consequences of unexcused absences. After all absences, a note or an email from a parent or doctor must be submitted within three days of the student's return to school for the absence to be excused.

Unplanned Absences

The parent or guardian must provide the school with a written excuse within three days of the student's absences. Failure to do so will result in the absence being marked unexcused. An acceptable excuse for absence from school may be approved for one or more of the following reasons or conditions:

personal illness, illness in the family, and/or death of a relative.

Anticipated/Planned Absences

Anticipated absences including but not limited to: observance of religious holidays, professional appointments, family vacations etc., should be communicated in writing to the front office in a timely manner to discuss alternative education options.

- Whenever a proposed pre-arranged absence (5 or more days) is requested, it must be submitted at least one week in advance, and parents must discuss it with the classroom teacher and administrator. The length of the absence should be made clear, and those involved should have an opportunity to express their views on the potential effects of the absence.
- Parents/students should speak with each teacher to receive assignments and materials that can be completed ahead of time or during the absence to minimize make-up work upon return to school. A teacher is not under any obligation to give this work. It is an extra allowance that may be provided by the teacher. Preparing for classes is very time consuming and could change from week to week.

Truancy

According to NRS 392.130, truancy is defined as being absent from school without written approval from a parent/guardian unless the student is mentally or physically unable to attend school. Truancy shows a deliberate disregard for the educational program and is considered a serious matter that will have immediate consequences.

If the student is truant:

- No credit will be recorded for work the student misses as a result of truancy.
- A letter will be sent home notifying the parent/guardian of the truancy situation.
- A record of the truancy will be entered into the student's file.
- A conference with the student's parents will be held.

According to NRS 392.122, SSAES shall consider a student "habitually truant" when, in spite of warnings and/or the parent's efforts to ensure attendance, the student has accumulated ten consecutive days or fifteen total days of unexcused absences within a semester. A meeting will be held with the administration and parents in order to determine if the student will continue to attend SSAES. After ten consecutive absence days, if a parent has not contacted the school, the student will be withdrawn from enrollment at SSAES.

Tardy Policy

Per attendance regulations, school time missed due to tardiness could contribute to a student's total absences. Any student arriving at school after the designated start time is considered tardy. Parents must sign their child in upon arrival. Excessive tardiness may result in a parent conference with administration.

Transportation

SSAES families with transportation needs will be provided with bus passes through the City Area Transit (CAT) upon request. Students must be accompanied by an adult to ride on the CAT bus.

Field Trips/Extracurricular

SSAES offers a range of activities, which enrich student learning both during and after the school day. For student safety and the safety of others, specific rules apply to these activities.

Field Trips

Field Trips offer exciting ways to learn. SSAES students have the opportunity to go on field trips at various times throughout the school year. Throughout the course of a field trip, students must adhere to the following:

- Permission slips must be signed by the parent or guardian and submitted to the classroom teacher by the specified date. Phone calls and emails will not be accepted as permission.
- Students must wear school uniform, unless otherwise specified.
- Abide by all SSAES rules and policies while on the field trip.

The classroom teacher will provide permission slips to students prior to each field trip giving specific information.

Chaperones

Parents are encouraged to participate as chaperones on field trips. We expect any parent chaperone to work collaboratively with the teacher(s) coordinating the trip to ensure that students are safe and that they are behaving in accordance with the SSAES codes of student conduct. Parent chaperones are expected to assist the teacher and to uphold any policies or procedures set forth by the teacher. Chaperones may not bring other children on field trips and are expected to remain with students for the entire field trip, including the return trip to school. Parent chaperones are expected to actively engage with and monitor students on the trip. Parents willing to be chaperones must fill out a Chaperone Form and have completed the background check required for all parent volunteers.

Special Events & Celebrations

School parties may be held to celebrate special occasions or holidays. Schoolwide celebrations will be announced throughout the year. Celebrations will be limited to the last 15 minutes of the day. The following list of special occasions and/or holidays have been identified as possible celebrations:

Nevada Day/Halloween
Thanksgiving
Day prior to Winter Break
Valentine's Day
St. Patrick's Day
Day prior to Spring Break
Nevada Reading Week
School Community Observations

Birthdays

If a parent chooses to share a treat with the class, the teacher must be notified in advance. Treats will be shared during the student's lunch period in the Multi-Purpose Room. The celebration will be held on the day of the student's birthday, during the regular lunch period. In order to minimize risks of food borne illness and to avoid known food allergies, food must be commercially prepared. It is recommended that a small nonfood item be given in place of a treat for healthier options.

Dress Code/Uniform Policy

SSAES will be following a policy of standard student attire. By wearing school uniforms, students are part of a team. It is this team effort and sense of belonging that will help students experience a greater sense of identity and promote academic excellence. Each student will be provided with 2 uniform shirts. Additional shirts may be purchased through the front office.

- 2nd Offense - Parent contact & parent will have until 10:00 am to bring a school uniform in order for students to change

- If the certificate shows that the Nevada immunization requirements shown

****FAILURE TO SUBMIT THESE REQUIRED CERTIFICATES IN THE TIME FRAMES INDICATED WILL RESULT IN THE CHILD BEING EXCLUDED FROM SCHOOL AND THE CHILD'S SEAT AT THE SCHOOL BEING RELEASED.**

Illness/Emergency During the School Day

In case of illness or accident, students will come to the school's health office. School staff will assess the student and contact parents immediately if they deem it necessary. Students who are ill (fever, vomiting, excessive productive coughing, runny nose and/or eyes) should be kept home; if illness commences at school, students must be picked up immediately from school. If a parent cannot be reached, the emergency contact listed on the student enrollment form will be notified to come and pick up the student. Particular care should be given to any symptoms that are indicative of viruses. Students should be symptom free for 24 hours - without medicine intervention - before returning to school.

If a medical emergency occurs:

- Parents/guardians will be notified and are responsible for obtaining medical care.
- **It is the parent's responsibility to ensure that the school has the correct and current working phone numbers for parents/guardians and emergency contacts.**
- Activation of EMS (911) will be called.
- Students will be transported per EMS protocol.
- The expense of the ambulance transport and subsequent medical care is the responsibility of the parent/guardian.

Medications

- Parents of students who have specific or special health concerns, chronic illness, or need of medication during school hours will add that information to the "Health" form at the time of enrollment. This information will be given to the school nurse or First Aid Safety Assistant (FASA), who will create a "health alert" folder to be kept at the school office. This folder will contain information on procedures to follow in case of illness or emergency, as well as any necessary parental permission. Should changes occur that may affect the student's care, it is the parent's responsibility to notify the school and to update the student's health information at the school office.
- The FASA will provide teachers with health files on students with health concerns, chronic illnesses, and/or identification of students who take daily medication during school hours.
- For medication to be administered to a student, the school must have an

Authorization for Medication form on file. This form is available in the office. A pediatrician or a family doctor must complete these forms. All medication must be office authorized through the health office. Medication must be in its original container and labeled with the following information: the child's name, dosage, name of the drug, physician's name, and the name/phone number of the pharmacy that filled the prescription. Office personnel designated to dispense medication are required to count the number of pills the student brings to school and document in the student medication log. Expired medications will not be accepted. If a medication expires during the school year, it must be picked up or it will be disposed of, with no exceptions. Unclaimed medications will be disposed of at the end of the school year.

Student Behavior Expectations

Student Code of Conduct

Strong Start Academy is committed to fostering a safe and respectful learning environment for all students enrolled at our school. Our Student Code of Conduct is in place to ensure the safety of students and staff and create an environment conducive to learning. SSAES has three basic rules - The 3 B's:

1. Be Safe - Make good choices!

Students should not throw objects at others, push, hit, hurt, kick, or act in any other manner that may cause harm to another individual.

2. Be Kind - Treat others as you wish to be treated!

Show kindness.

Be courteous.

Use appropriate positive language and actions.

Listen to each other.

3. Be Responsible- Work hard and try your best at all times!

Follow directions.

Complete your school work.

If you make a mess, help clean it up.

If you make a mistake, be honest.

Take care of your equipment/school property.

Be on time.

Code of Honor

There is a clear expectation that all students will perform academic tasks with honor and integrity, with the support of parents, staff, faculty, administration, and the community. The learning process requires students to think, process, organize and create their own ideas. Throughout this process, students gain knowledge, self-respect, and ownership in the work that they do. These qualities provide a solid foundation for life skills, impacting people positively throughout their lives. Cheating and plagiarism violate the fundamental learning process and compromise personal integrity and one's honor. Students demonstrate academic honesty and integrity by not cheating, plagiarizing or using information unethically in any way.

What is cheating?

Cheating or academic dishonesty can take many forms, but always involves the improper taking of information from and/or giving of information to another student, individual, or other source. Examples of cheating can include, but are not limited to:

- Taking or copying answers on an examination or any other assignment from another student or other source
- Giving answers on an examination or any other assignment to another student
- Copying assignments that are turned in as original work
- Collaborating on exams, assignments, papers, and/or projects without specific teacher permission
- Allowing others to do the research or writing for an assigned paper
- Using unauthorized electronic devices
- Falsifying data or lab results, including changing grades electronically

What is plagiarism?

Plagiarism is a common form of cheating or academic dishonesty in the school setting. It is representing another person's works or ideas as your own without giving credit to the proper source and submitting it for any purpose. Examples of plagiarism can include, but are not limited to:

- Submitting someone else's work, such as published sources in part or whole, as your own without giving credit to the source
- Turning in purchased papers or papers from the Internet written by someone else
- Representing another person's artistic or scholarly works such as musical compositions, computer programs, photographs, drawings, or paintings as your own

- Helping others plagiarize by giving them your work

All stakeholders have a responsibility in maintaining academic honesty. Educators must provide the tools and teach the concepts that afford students the knowledge to understand the characteristics of cheating and plagiarism. Parents must support their students in making good decisions relative to completing coursework assignments and taking exams. Students must produce work that is theirs alone, recognizing the importance of thinking for themselves and learning independently, when that is the nature of the assignment. Adhering to the Code of Honor for the purposes of academic honesty promotes an essential skill that goes beyond the school environment. Honesty and integrity are useful and valuable traits impacting one's life.

Restorative Justice Policy

At SSAES, we employ restorative justice through a whole school approach. A whole school approach uses restorative justice to build culture and climate based on restorative values of respect, trust, inclusion, tolerance, and understanding. Building a restorative culture results in fewer incidents of harm overall. We have embedded Restorative Practices into our Multi-tiered System of Supports (MTSS) framework. Our school-wide Positive Behavior Interventions and Supports (PBIS) is a large-scale example of MTSS that focuses on teaching as prevention. Our Restorative Justice Policy was developed to integrate with the school's PBIS framework and create a model that is a more collaborative, inclusive, and positive approach to developing effective interventions for personal behavioral growth. The model is a three-tier problem-solving process that provides a continuum of tiered interventions with increasing levels of intensity and duration to prevent inappropriate behavior by means of reinforcing appropriate behavior. Tier 1 focuses on prevention of problem behavior by emphasizing universal supports. The critical features of Tier 1 include school-wide expectations that are taught and encouraged, and systems that discourage inappropriate behavior. Tier 2 is designed to prevent the development and escalation of problem behaviors for students who are identified as being at risk for developing chronic behavior problems. It involves specialized group interventions to supplement the Tier 1 supports. Tier 2 interventions focus on targeted and explicit instruction of skills, structured prompts for appropriate behavior, opportunities to practice new skills in the natural setting, and frequent feedback. Tier 3 is designed to reduce the intensity, frequency, and/or complexity of problem behaviors by providing individualized behavior supports. Tier 3 interventions are utilized for students that demonstrate the highest need, based on lack of responsiveness to Tier 1 and 2 supports.

Tier I	Restorative Practices
Prevent inappropriate behaviors by introducing school	<ul style="list-style-type: none">● Establish and reinforce school-wide expectations, initiatives, and systems● Cultivate healthy, positive, and professional

wide support	<p>relationships with students</p> <ul style="list-style-type: none"> ● Emphasize a sense of school community ● Engage students personally before addressing any behavioral issue, whenever possible
Tier II	Restorative Practices
<p>Identify students who are developing chronic inappropriate behaviors</p> <p>Focused on behavior data and documentation</p>	<ul style="list-style-type: none"> ● Continue Tier 1 Restorative Practices ● Temporary/alternative student environment - teacher to teacher, teacher to staff member, teacher to penalty box, etc. ● Meet with the Counselor or Safe Schools Professional ● Self-Reflection ● Students required to self-disclose inappropriate behavior to a parent via student initiated contact from the school site. ● Informal parent/family contact via phone call, e-mail message, text message ● Peer circles ● Apology letters
Tier III	Restorative Practices
Resolve chronic inappropriate behaviors with individualized interventions	<ul style="list-style-type: none"> ● Continue Tier 1 & 2 Restorative Practices ● Meet with the Counselor or Safe Schools Professional ● Introduction to the Executive Director ● Formal parent/family contact ● Social contracts ● Create a Restorative Action Plan (RAP) - Collaborate with student, parents, and all to create a plan that is realistic to accomplish.

In an effort to optimize equitable application of disciplinary consequences for students, it is important to differentiate and define different types of disciplinary incidents.

MINOR BEHAVIOR INCIDENTS

Minor Behavior Incidents are staff-managed behavior incidents that are addressed by school personnel such as a classroom teacher, when applicable.

Minor Behavior Incidents violate school or classroom rules or procedures.

Restorative Steps For Minor Behavior

- Respectfully address student
- Describe inappropriate behavior
- Describe expected behavior
- Teach/Model Roleplay expected behavior
- Link to expectation on Matrix
- Redirect back to appropriate behavior modeling

MAJOR BEHAVIOR INCIDENTS

Major Behavior Incidents are office-managed behavior incidents that are addressed by office staff and/or administration. They are severe in nature or are habitually repeated. Major Behavior Incidents that violate SSAES Rules or Policies, impact student or staff safety, or cause property damage may be subject to law enforcement involvement. Major Behavior Incidents include discretionary expellable offenses.

Restorative Steps for Major Behavior

- Administrator assesses, problem solves
- Objective: Teach, learn, return to academic instruction as quickly as possible
- Strategies:
 - Practice behavior expectations
 - Re-Teach in setting
 - Ask the following Restorative Questions
 - What happened?
 - What were you thinking of at the time?
 - What have you thought about since?
 - Who has been affected by what you have done?
 - In what way have they been affected?
 - What do you think you need to do to make things right?
 - Problem-solving team (SST)
 - Student Success Specialist
 - Mentor
 - Administrator
 - Conference with families (Student Restorative Plan of Action is completed)

For all offenses, common sense and good judgment will prevail. Strong Start Academy students are expected to show respect for themselves and others. Students are expected to behave in ways that are acceptable to classmates and conducive to learning. Behavior can be generally corrected when parents and teachers work together. Continued

disregard for school rules is a key factor for all progressive consequences. Restorative action is also commensurate with the severity of the offense.

Administration will make the final decision on disciplinary actions.

If the administration determines that a Restorative Action Plan would not be practicable, the following discipline measures may be imposed: **RPC, Suspension, or Expulsion.**

If the student continues to exhibit disruptive, dangerous, defiant, or otherwise undesired behavior and/or the student violates their Restorative Action Plan (RAP), parents must come to campus and attend a Required Parent Conference (RPC). The RPC may include members of the Restorative Justice Team, the parent(s)/guardian(s), and the student. It may be necessary to determine interventions or a revision of the student's Restorative Action Plan.

Pursuant to NRS 392.467 a student may be expelled, suspended, or removed if they have been charged with a crime if:

- a. The school conducted its own documented investigation.
- b. The school gives notice of the charges brought against the student.

Summary of Progressive Restorative Discipline Structure

Students are disciplined in a restorative, progressive manner. It is not an individual disciplinary event(s) that is/are consequential; students will be given an opportunity to correct their wrongdoings and to learn from their mistakes through restorative practices (AB 168). Continued disregard for school rules is a key factor for all disciplinary consequences. Disciplinary action is also commensurate with the severity of the offense.

AB 168 & Battery of an Employee or Pupil MANDATORY DISCIPLINE IN NRS:

Although the battery of an employee does not require discipline according to NRS, the SSAES Board reserves the right to suspend or expel students who commit battery against school staff or pupils. If a student repeatedly commits battery against a staff member or pupil, the Executive Director will bring the matter to the Board for a decision as to consequences.

Discipline Limits for Special Education Students

- 11+* Discipline is limited to suspensions of 1-5 days per occurrence or permanent expulsion. The statute does not provide authority for nonpermanent expulsion. (Cumulative suspensions greater than 10 days require hearing).
- Age 11+ limit for all four categories of misconduct (no exception for

- possession of a firearm or dangerous weapon).
- Students with an IEP under age 11 must not be permanently expelled except under extraordinary circumstances.

Changes to discipline laws for students who receive special education services in accordance with an Individualized Education Program (IEP)

Suspension or Expulsion

- A student with an IEP who is at least 11 years old may be removed from a school, suspended, or expelled only after the Board of Directors has reviewed the circumstances and determined that the action is in compliance with the Individuals with Disabilities Education Act (IDEA) (NRS 392.466.10; NRS 392.467.6), except in the case of possession of a firearm or dangerous weapon by a student, which is described below.
- Suspension of a student with an IEP is limited to 1-5 days for each occurrence of misconduct (NRS 392.466.10; NRS 392.467.6).
- As with general education students, a student with an IEP who is younger than 11 years old must not be permanently expelled except under extraordinary circumstances, in which case a school may request an exception to this prohibition from the Board of Directors (NRS 392.466.9, NRS 392.467.1).

Academic Success

Homework Policy

Homework is assigned to reinforce daily learning targets, as well as to teach students time management, personal responsibility, study skills, and to be independent learners. The homework policy will reinforce parents' active involvement in their child(ren)'s academic progress. Homework is assigned Monday through Thursday, except on holidays or state testing days. Daily homework is due at the beginning of the next school day for all students. Parents wishing to gather homework missed due to an excused absence or on the day of an early sign out may do so at 3:15 p.m. in the front office. To prevent any delay in retrieving classwork/homework, parents are encouraged to contact their child's teacher prior to their arrival at 3:15 p.m.

If a child is taking an excessive amount of time to complete homework assignments, please note this on the homework slip or contact the teacher directly. This information is used to assess both individual and class mastery of concepts, as well as determine

proper homework load. Your child may experience difficulties if he/she has excessive absences or is learning new or difficult concepts.

Teacher Responsibilities Regarding Homework

The teacher will:

- Assign meaningful and grade level appropriate homework that reinforces daily learning objectives.
- Monitor comprehension and provide appropriate feedback. Make every attempt to keep homework consistent within the grade level.
- Communicate in a timely manner with parents and students when homework issues arise.
- Respond in a timely manner when homework concerns are brought to his/her attention by a parent.
- Provide appropriate feedback.

Student Responsibilities Regarding Homework

The student will:

- Complete his/her work on time.
- Apply and practice skills learned in class.
- Strive for the highest quality work possible by completing homework to the best of his/her ability.
- Communicate to parents or teachers when concepts are difficult.

Parent Responsibilities Regarding Homework

The parent will:

- Provide the proper conditions suitable to study.
- Check his/her child's homework for complete and neatly written responses.
- Supervise completion. Read all communications regarding homework.
- Ensure that proper materials and supplies are available.
- Contact the teacher in a timely manner when homework concerns arise.
- Support school homework policies.
- Monitor his/her child's grades and attendance.

Make-up Work Policy

The student shall have up to five (5) school days to request make-up work for excused absences. Students will have the opportunity to submit assignments in a period of time equal to the number of days absent.

Late Work Policy

Late assignments must be handed in within one week of the due date. Assignments submitted later than one week past the due date are accepted at the teacher's discretion. Late assignments will not be accepted during the last week of the semester.

Communication

Parent to School Communication

Conferences with individual teachers can be arranged by contacting the teacher via email or leaving a phone message. A response should be expected within 24 hours. Conferences can be scheduled before school, after school, or during a teacher's planning-time when applicable. Conferences with teachers during arrival, dismissal, or classroom instruction may impede the teacher's ability to effectively supervise his/her students and are not allowed.

Communicating Parent Concerns/Conflicts

When a concern or conflict arises, please adhere to the levels of resolution:

- Direct communication or conference with the teacher or staff member; then
- Communication or conference with the Executive Director - if there still has not been a resolution.

Progress Reports

Student progress reports will be available approximately every four weeks through the Infinite Campus Parent Portal. Parent-teacher conferences are recommended when unsatisfactory progress is identified. The teacher will send an unsatisfactory notice to alert parents at any time during the grading period when the student is doing unsatisfactory work. Notification of student progress will be posted through the Infinite Campus Parent Portal approximately every four weeks during the grading period. Also, parents have access to student grades at any time through the Infinite Campus Portal.

Student Retention

SSAES will promote a student when they demonstrate proficiency or mastery of grade level standards. The retention of a student in his/her grade level is the final intervention step to ensure students have the necessary prerequisite skills to be successful in the next grade level. Students must demonstrate accomplishment of the standards in reading, writing, mathematics, science and social studies adopted by the Nevada Department of Education. SSAES values all academic disciplines by providing a well-rounded program of instruction. If the student does not meet the Promotion Criteria for his or her grade level, parents will be notified of available interventions. Interventions may include, but are not limited to tutoring, summer school, and grade-level retention.

Students who completed a grade level at a previous school must enroll in the next sequential grade level available. Parents may not “self-retain” or “self-promote” by selecting a lower or higher grade level during the enrollment process. Should this occur, the school administration would meet with the parent and discuss a plan of action, including, but not limited to, withdrawal of the student or a change in grade. Written proof of retention or accelerated promotion by the former school must be submitted in writing in order for the grade change to be valid at SSAES.

Student Support Services

Special Education

Strong Start Academy maintains compliance with the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973. We provide a free, appropriate, public education (FAPE) to students with disabilities in accordance with state and federal statutes and regulations and follow the model policies and procedures outlined by the [State Public Charter School Authority's Special Education Guidance Manual](#).

As a charter school, SSAES meets IDEA's Child Find obligations by identifying, locating, and evaluating all children with disabilities who are in need of special education and related services within the enrolled population of the school. In order to qualify as a student with a disability under IDEA, a child must be of school age, in need of specially designed instruction, and must meet the eligibility criteria for one or more of the following physical or mental disabilities, as set forth in Statutes: autism; developmental delay; emotional disability; hearing impairment; other health impairment; specific learning disability; mild, moderate, or severe intellectual disability; multiple disabilities; multiple disabilities with severe sensory impairment; orthopedic impairment; preschool severe delay; speech/language impairment; traumatic brain injury; and visual impairment. Strong Start engages in identification procedures to ensure that eligible students receive FAPE, including special education and related

services, individualized to meet student needs. To identify students who may be eligible for special education, various screening activities are conducted on an ongoing basis. These screening activities include a review of data (cumulative records, enrollment records, health records, report cards, and achievement test scores), hearing and vision screenings, and speech/language screenings. Students who struggle academically or behaviorally may also be referred to the school's Response to Instruction team for pre-referral interventions. When screening or pre-referral intervention results suggest that a student may have a disability, the school's special education team seeks parental consent to conduct a multidisciplinary evaluation. Parents who suspect their child may have a disability may request a multidisciplinary evaluation by submitting a request to the school's Executive Director. When a student is identified as eligible for special education, the school's Special Education Multidisciplinary Team will develop an Individualized Education Plan (IEP) in order to identify the student's needs for special education and related services. At least annually, the student's IEP will be reviewed and revised. At least on a triennial basis, the student will be re-evaluated to determine if he/she still meets the eligibility criteria as a student with a disability in need of specially designed instruction. Strong Start Academy will provide special education services to all eligible students in the Least Restrictive Environment and in alignment with their individual needs. We will provide academic and behavioral support services, itinerant vision and hearing services, speech therapy services, occupational therapy services, physical therapy services, and counseling services as required for the student to benefit from the special education program.

Rehabilitation Act of 1973 - Section 504

To qualify as a student with a disability under Section 504 of the Rehabilitation Act of 1973, a child must be of school age and must have a mental or physical impairment that substantially limits one or more major life activities. If determined to be eligible for protection under Section 504, a student will receive a 504 Plan to outline accommodations and services necessary to provide the student with an equal opportunity to participate in and obtain the benefits of the school's programming to the maximum extent appropriate to the student's abilities. Identification procedures for Section 504 are the same as those of special education. Upon suspicion that a student may meet the Section 504 definition of a student with a disability, the school will follow multidisciplinary consent and evaluation procedures similar to those for special education identification. However, evaluations under Section 504 are not limited to formal evaluation instruments, because the definition of a student with a disability is broader under Section 504 than under IDEA. Parents who suspect their child may have a disability may request a multidisciplinary evaluation by submitting a request to the Executive Director or the 504 coordinator.

English Learner Students

Strong Start Academy Elementary School is committed to ensuring all students graduate college-and career-ready, through the consistent application of high-quality instruction, balanced assessment, and a rigorous accountability system. SSAES is further committed to closing the achievement gap by implementing culturally responsive practices, as well as engaging families and the community. The following policy, guiding principles, and practices support these commitments.

SSAES recognizes that explicit emphasis on language and literacy instruction is an integral part of effective teaching and learning for English Learners (ELs), and that the academic success of ELs is a responsibility shared by students, educators, the family, and the community. Strong Start will be providing a dual immersion program in Spanish and English because it is vital for EL students to receive rigorous, explicit, high-quality language instruction while being held to high expectations and standards in order to access content areas.

It is the intent of Strong Start Academy to provide explicit, high-quality language and literacy instruction to pupils who are Limited English Proficient. Effective instruction is essential in engaging students in both linguistic and academic learning to accomplish the goal of providing quality programs for LEP students, resulting in increased academic achievement. SSAES has committed to develop English and home language proficiency as well as high levels of academic mastery across the curriculum.

1. Guiding Principles

- a. All pupils are provided instruction that enables those pupils to attain proficiency in the English language as soon as possible and improve their overall academic and linguistic achievement and proficiency.
- b. SSAES will use research-based strategies and a set of core principles for an effective English Language Learner (ELL) program to ensure achievement and sustainability and build bilingualism, biliteracy, and multiculturalism.
- c. SSAES systematically uses English Language Learners' languages, cultures, and experiences as the foundation for culturally responsive learning and success across all curricula for 21st Century learning.
- d. SSAES has implemented a concept of data-driven accountability.
- e. Each individual child has a different pace and style of learning. There are many different approaches to instructing English Language Learners in both content, literacy, and English language acquisition that can result in mastery of the subjects, depending on the needs and abilities of a particular student. After School Activities

After-School Activities

SSAES offers various after-school activities to enrich students' education. Such involvement provides ways for students to engage in activities they already enjoy and provides opportunities to experiment with other areas that may interest them. If students remains at SSAES for an after school activity, he/she will be expected to follow these rules:

- The student must always be with a teacher or other staff member.
- The student must arrange for his/her own transportation to be picked up promptly at the end of the activity.
- The student must abide by SSAES's behavioral expectations while participating in the activity. Inappropriate behavior will result in dismissal from the activity/club.
- The student may not stay after school to wait for another student.
- Once enrolled in an activity/club, students must commit to regular attendance. Three or more unexcused absences from the activity/club may result in withdrawal from that club. All students must be registered in the after-school care program, if participating in after-school activities.

All students who are not in a club, after-school activity, after-school care, or have made a special arrangement with a teacher, must be picked up no later than 15 minutes after standard dismissal. **A full list and description of after school clubs and activities will be posted on the website or available at the front office.**

Cell Phone Policy

Strong Start Academy ES is a cell phone free school during the instructional day. The instructional day is defined from school drop off until school pick up. While students may have a cell phone in their possession, all cell phones should be turned off and stored in the student's backpack. In the event of an emergency, parents and students should contact the office. A violation of this policy will result in the cell phone being confiscated and will only be returned to a parent/guardian at the end of the school day.

Technology Use

Students are offered use of a device and access to Strong Start Academy's computer network for communication, research, and other tasks related to the school's academic program. All use of computers, furnished or created data, software, and other technology resources as granted by SSAES are the property of SSAES and are intended for school business and educational use. Students are to use the computer network responsibly. The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and using the SSAES computer network and the school's technological resources. The school educates students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response. The following Technology and Use agreements must be agreed to by the parent/guardian of all students. Students will have a device assigned to them to be used and kept at school.

Fines

Fines will be assessed for damages to technology devices.

Family Engagement

Volunteering

As establishing and maintaining a thriving small school community involves families and staff working together, parent/guardian volunteering will be highly encouraged, but not required. At SSAES, families are embraced as important stakeholders who have a voice in their child's future. As such, parents/guardians are encouraged to participate in activities, events, and celebrations throughout the school year to take an active role in their child's education. Events are opportunities for families to contribute to the school community. Family volunteers and community organizations are vital to help facilitate activities and participate in events.

Volunteer opportunities include but are not limited to:

- Attending Parent meetings
- Assisting classroom teachers
- Signing up to help at school sponsored events:
 - Teacher Appreciation Week
 - Field Day
 - Field Trips

More information about volunteer opportunities will be given throughout the school year. Please contact the school office to request volunteer hours.

Parents/visitors must sign-in at the main office and obtain a visitor's pass. In order to ensure the safety of all of our students, **NO PARENTS/VISITORS WILL BE ALLOWED BEYOND THE MAIN OFFICE WITHOUT A VISITOR'S PASS.**

Volunteer Fingerprinting

Senate Bill 287 requires volunteers with unsupervised OR regular contact with students to be fingerprinted and pass a criminal background check. Regular contact has been defined by the Nevada Department of Education as volunteering at least four times a month.

Any volunteer who will have unsupervised contact with students or who will have regular contact with students must:

1. Sign a waiver to have their background check complete;
2. Sign an acknowledgment as being a mandatory child abuse reporter; and,
3. Complete a background check including fingerprinting at the expense of the parent volunteer.

These steps will be required every three (3) years. In order to complete these steps, volunteers must inform the school that they wish to undergo fingerprinting. If a parent volunteer has not completed all of the steps above, and has not been cleared by a school administrator, the parent may not have unsupervised or regular contact with students.

Family Concerns/Greivance Policy

The SSAES Board and school leadership are committed to building and maintaining strong partnerships with parent/guardians, one that is founded on collaboration, honesty, transparency, integrity and two-way communication. If a parent/guardian has a concern about a school policy or practice, academic grade, discipline decision, or any other school related decision or outcome, the parent/guardian is encouraged to contact the appropriate staff member at the school, following the appropriate chain of command. SSAES Board and leadership are committed to address concerns of families and seeking a resolution that benefits the academic development and progress of our students. Informal complaints should begin with the staff member directly involved and closest to the concern. If that is not possible or comfortable, the complaint can go directly to the Executive Director. All concerns will be mediated at this level with an appropriate decision made. If the informal complaint is not resolved satisfactorily, a letter may be submitted to the Executive Director initiating a formal complaint. The letter should include, in detail, the event, policy or decision of concern; timeline of events; staff involved (if applicable); and desired resolution. Within one week of the formal complaint being filed, the Executive Director will conduct a thorough investigation and issue a written response detailing his/her findings and recommendations or resolution. If the parent/guardian is still not satisfied, he/she may appeal to the Governing Board. Formal complaints submitted to the Governing Board Board of Directors will be reviewed by the Governing Board of Directors President and assigned to a designated Board member to schedule a meeting, during which the parent/guardian will have the opportunity to address his/her concerns. The designated Board member will issue a report of findings to the Board prior to the next regular Board Meeting. At that meeting, the Board will take action, as appropriate, based on the information and findings. The parent/guardian may attend the Board meeting and request to speak. If the parent/guardian wishes to speak, he/she will be limited to two (2) minutes. If additional time is requested, the Board may agree to allocate additional time to speak at the end of the meeting. The Board will make a decision as they feel appropriate. A parent/guardian may address the Board at any meeting without going through the informal and formal complaint process as outlined above, but the Board encourages constructive conversations with relevant parties prior to direct outreach to the Board. The Board has the power, authority and duty to take action as they see appropriate. If the parent/guardian believes that the Board did not adequately address their concern, the parent/guardian may present the concern to the State Public Charter School Authority.

Relevant Law

FERPA

According to the Family Educational Rights and Privacy Act (FERPA), school records of students are confidential. All staff are prohibited from discussing the discipline and investigation of other students. FERPA is a federal privacy law that gives parents certain protections with regard to their children's education records, such as report cards, transcripts, disciplinary records, contact and family information, and class schedules. As a parent, you have the right to review your child's education records and to request changes under limited circumstances. To protect your child's privacy, the law generally requires schools to ask for written consent before disclosing your child's personally identifiable information to individuals other than you. FERPA allows school officials to provide what is called "directory information" without parental consent. However, public notice must be made before directory information may be made available. Parents or guardians also have a right to review educational records kept by the school. To inspect these records, parents/guardians should contact the principal to schedule a records review. In addition, parents may by written request, to the principal of the school, challenge the contents of student records that they believe are inaccurate. School personnel are to respond to all requests within a reasonable length of time not to exceed ten (10) school days from the date of receipt of the request. Questions regarding educational records at the school should be directed to the principal in writing. Parents or eligible students have a right to file a complaint regarding the schools compliance with these requirements by contacting the Family Policy Compliance Office, U.S. Department of Education.
